CAPACITY CHART

DETAILS

THE MARLBOROUGH ROOM

This room is ideal for more elegant wedding receptions. Located on the ground floor of the hotel, the Marlborough Room can be used in conjunction with our surrounding facilities.

THE CHART ROOM

9.5M X 7M

Situated opposite the Marlborough Room on the ground floor. Suitable for smaller, more intimate weddings or celebrations.

SWIMMING POOL AREA

Should you decide not to have a church wedding, we also offer the option of a poolside ceremony for the months of October to April. This is ideal for smaller and more informal wedding, pre-reception cocktail party or even for your post wedding BBQ.

ADDITIONAL WEDDING CHARGES

Should your wedding reception take place on a public holiday, an additional surcharge may apply.

ROOM CONFIGURATIONS

Our wedding function rooms offer a variety of configurations, which can be set up to suit your personal preferences. The main wedding reception configurations are:

BANQUET

Ideal for wedding receptions which include a meal. Guests are seated at tables of generally 8 or 10 and there is generally a head table set at the front of the room for the bridal party.

COCKTAIL

Ideal for large wedding groups that wish to mingle rather than have a seated meal. Cocktail receptions would include drinks and canapés.
